The Gut Check's RB Scouting Profile

Name: Bobby Rainey

Date: 11/19/2011

Opponent: North Texas

Overall Strengths

Rainey is one of the underrated players in this draft. He runs with extremely good vision and balance. He rarely goes down after the first hit and he has the skill to bounce off hits, use the stiff arm, or keep his legs moving to get that extra yard after contact. He finds cutback lanes like a pro runner and he frequently spots the secondary hole while in the initial crease and he has the agility to change direction to get there. I like that he runs with his eyes and anticipates defenders coming into the crease. He might have the most effective stiff arm I've seen this year. I'm also impressed with how he presses a hole. He's a patient runner, too. Rainey fits well in any run system. He has the quickness and agility to play in the spread. He's creative and patient for zone blocking and he has a good center of gravity, pad level, and power for lead/gap plays. Rainey's use in his career mimics that of former Rutgers workhorse Ray Rice.

Overall Weaknesses

Rainey doesn't flash a lot of upper body moves and I didn't see him in a situation where he had to separate with a third gear. He needs work with delivering a punch as a pass protector and his cut blocks require more consistency and timing with the location of its delivery. He's a powerful runner, but not a big runner and he isn't going to punish a defense as much as wear it out if he can indeed play with the same skill against top-notch competition that he did here.

Power

Rainey's first carry went for a four-yard loss from a 21 personnel I formation set with two receivers split to the weakside of the formation versus a 4-3 look with a safety in the box with 14:53 in the first quarter. The receiver split wide left motioned towards the line of scrimmage before the snap to seal the edge on a pitch play to left end, but the LDE beat the WR and ruined the FB's lead to the edge. He forced Rainey to dip further backwards, reaching for the runner's legs. Rainey ran through the rap about six yards behind the line of scrimmage but had to face down the LCB, whom he stiff armed to the ground before he was knocked out of bounds by the safety with a hard shove to the chest. Nice stiff arm and good balance to run out of the DE's wrap to the legs while moving east-west to the line of scrimmage. Rainey gained 7 yards on 1st and 10 with 14:00 in the first quarter from a 22 personnel I formation set. The LG-LT doubleteamed the LDT and the C sealed the RDT to the inside as the FB took on the MLB just outside the C. Rainey spotted a lane outside the LG and did a great job pressing the hole by heading to the line behind the FB and making a sharp cut inside the center and a second dip in the hole to left end. He ran through a wrap three yards downfield to fall forward another four yards on the play. Good vision in traffic, nice footwork, and strong finish. Rainey gained 12 on 2nd and 3 with 13:15 from a 21 personnel, 2x0 receiver set with the receivers split weakside versus a 4-3. The play was a designed run to right end with the LG and FB pulling to the edge, but Rainey spotted cutback lane behind his LT and squirted just past the LDT to reach the line of scrimmage and burst through a hole behind his LT and LG up the right hash for eight yards before running through the grasp of the safety and then dragging as safety and linebacker another two yards. Good use his free arm to protect the ball and ward off the safety's wrap. Rainey gained four yards on a 1st and 10 run with 9:58 in the first quarter from a 23 personnel set with the line unbalanced to the right with the FB stronside as well. He followed his pulling LG to RG, turned his shoulders away from RDT and dragged the defender a few yards for the rest of the gain. He gained 12 yards on 2nd and 6 with 7:20 in the first quarter from a 30 personnel, 1x1 receiver set. One FB motioned to left end and sealed the SLB to the inside while the second FB double-teamed the MLB with the LG to open a lane to the left flat for Rainey to get the corner. The RB showed the burst to get the edge, ducking under the safety's reach with a stiff arm as he reached the line of scrimmage near the sideline. He then ran through the CB for another six yards before he was pushed out of bounds. Rainey was reigned in on a 1st and 10 21 personnel I formation run to right tackle when both defensive ends got penetration off the edge and the SS came into the lane in support. They converged on Rainey to limit him to one yard. Good leg drive to move the pile a yard. Rainey gained five yards on 1st and 10 with 14:52 in the half from a 22 personnel I formation set. The C-LG doubled the LDT and the RT kicked out the LDE as the TE took on the SLB to open a lane to left end that the RB took three yards past the line of scrimmage and then made a hard cut inside the safety shooting up the left hash at the end of the crease. Rainey used his right arm to stiff arm the defender as he cut inside the defender and then turned upfield where he was wrapped after dragging the other DB two yards. Rainey gained four yards on 3rd and 2 with 13:03 in the half from a 10 personnel trips right formation with those receivers tight to that side and a single receiver tight to the left. The slot receiver from the trips crossed the formation to whom the DE coming off the left end and Rainey dipped outside his LG-C doubleteam with quick feet to get the four yards. He finished the play with a head on collision with good pad level against the safety for an extra yard. Rainey gained six yards from an 11 personnel shotgun set with 1:17 in the half on a draw play off LG. There appeared to be a hold to the left flat, but Rainey saw the S outside the shoulder of the lineman five yards ahead and dipped the play behind his center to the right flat for six yards, lowering his shoulders into the LB and driving his feet to get a few yards. Rainey lost two yards on a 2nd and 10 catch with 0:42 in the half from a 1x2 11 personnel shotgun set. Rainey released to the right flat to set up a screen, caught the ball thrown high to his back shoulder with his hands and promptly got hit by the CB shooting through the gap of Rainey's blockers. He hit Rainey's lower legs hard, but could not knock the RB off balance. However, the hit pinned Rainey to the sideline and he was forced out of bounds after turning this potential loss of five to a loss of two. Great balance. Rainey gained seven yards on 3rd and 12 with 0:38 in the half from an 11 personnel 1x2 set where he started the play flanking the QB's weakside and crossed the formation to the strong side during the exchange, using a stiff arm on the LDE in the backfield to break the tackle and scoot to the edge. He turned the corner at the left hash, lowered his pads and drove up the field for another 6-7 with the ball secured by both arms. Rainey gained 10 yards on a 2nd and 9 run with 10:23 in the third quarter from a 22 personnel set from the WKU 2. His RG pulled to LT and Rainey got good seal blocks off the edge to that side to create a lane to left end. He showed a good burst to the edge and used a stiff arm to beat the DB in the flat to the corner and then used a second stiff arm on the safety to reach the sideline before lowering his pads into a third DB before he was knocked out of bounds. Good speed and use of the stiff arm. Rainey gained six yards on 1st and 10 from the WKU 25 from a modified wishbone look, a 30 personnel 1x1 set with 8:23 in the third quarter. He followed his FB and pulling RG to left end, bouncing the run to the edge and using a stiff arm to floor the safety in the backfield and almost dipping past the corner at the left sideline for a larger gain than six. Rainey gained nine yards on 1st and 10 with 2:51 in the third quarter from the 30 personnel, 1x1 set. He pressed a double-team that opened a hole outside LG by heading towards the RG-RT doubleteam and cutting back. He kept his pad level low in the hole and worked through traffic to get another five yards, keeping his legs moving through wraps. Rainey was stopped for no gain on the next play (1st and goal from the 9 with 1:15 in the third quarter) when the MLB got into the gap off RG unblocked to meet Rainey at the line of scrimmage. He wrapped the RB and Rainey fell forward but for no gain. Rainey gained 28 yards round right end with 13:20 in the game. He got wrapped at the waist and extended his body forward to get the extra yardage. He shed defender's grasp at his shoulder on a 1s tand 10 run from a 21 personnel I formation set with 10:52 in the game for a five-yard gain off LG. The wrap came from the LB from the backside but Rainey bent his legs and turned away from the wrap to drive forward and earn another 2-3 yards.

Pail Handling

Rainey's first carry went for a four-yard loss from a 21 personnel I formation set with two receivers split to the weakside of the formation versus a 4-3 look with a safety in the box with 14:53 in the first quarter. The receiver split wide left motioned towards the line of scrimmage before the snap to seal the edge on a pitch play to left end, but the LDE beat the WR and ruined the FB's lead to the edge. Rainey ran through the rap about six yards behind the line of scrimmage but had to face down the LCB, whom he stiff armed to the ground before he was knocked out of bounds by the safety with a hard shove to the chest. Good job carrying the ball under his left arm. Rainey gained 7 yards on 1st and 10 with 14:00 in the first quarter from a 22 personnel I formation set. The LG-LT doubleteamed the LDT and the C sealed the RDT to the inside as the FB took on the MLB just outside the C. Rainey spotted a lane outside the LG and did a great job pressing the hole by heading to the line behind the FB and making a sharp cut inside the center and a second dip in the hole to left end. He ran through a wrap three yards downfield to fall forward another four yards on the play. Good vision in traffic, nice footwork, and strong finish. He carried this attempt under his left arm. Rainey gained 12 on 2nd and 3 with 13:15 from a 21 personnel, 2x0 receiver set with the receivers split weakside versus a 4-3. The play was a designed run to right end with the LG and FB pulling to the edge, but Rainey spotted cutback lane behind his LT and squirted just past the LDT to reach the line of scrimmage and burst through a hole behind his LT and LG up the right hash for eight yards before running through the grasp of the safety and then dragging as safety and linebacker another two yards. He then ran through the CB for another six yards before he was pushed out of bounds. Once again, he carried the ball under his left arm. Rainey gained two yards from a 22 personnel I formation with 8:15 in the first quarter when he hit the hole hard behind his FB but was hit and wrapped from the right side at the line of scrimmage by the RDT coming free of his block. Rainey fell forward for the positive yardage. Good effort to protect the ball with both arms as he engaged the RDT. Rainey gained five yards on 1st and 10 with 14:52 in the half from a 22 personnel I formation set. The C-LG doubled the LDT and the RT kicked out the LDE as the TE took on the SLB to open a lane to left end that the RB took three yards past the line of scrimmage and then made a hard cut inside the safety shooting up the left hash at the end of the crease. Rainey used his right arm to stiff arm the defender as he cut inside the defender and then turned upfield where he was wrapped after dragging the other DB two yards. Good job carrying this ball under his left arm. Rainey gained 17 yards on a 2nd and 10 run from the WKU 10 yard line with 4:31 in the half. He got the ball from a 21 personnel I formation set with both receivers split to the weakside. The LG-C double-teamed the LDT and the FB headed to RG. Rainey started behind the FB, saw the second level of the defense filling the gaps to the right side, and bounced the run around left end, dipping further outside 10 yards downfield behind a receiver's block and beating two more defenders up the sideline for another seven yards. Good speed, vision, and change of direction. He carried the ball under his left arm. Rainey lost the ball, but recovered his own fumble on 2nd and 10 with 3:55 in the half from a pistol set with trips receivers. He never quite got the exchange but he managed to pick up the bouncing ball a yard from the line of scrimmage and fall forward for two yards. Good, quick hands. The fumble is technically on him, but the QB needed to secure the ball better. Rainey lost two yards on a 2nd and 10 catch with 0:42 in the half from a 1x2 11 personnel shotgun set. Rainey released to the right flat to set up a screen, caught the ball thrown high to his back shoulder with his hands and promptly got hit by the CB shooting through the gap of Rainey's blockers. He hit Rainey's lower legs hard, but could not knock the RB off balance. However, the hit pinned Rainey to the sideline and he was forced out of bounds after turning this potential loss of five to a loss of two. Great balance. Good job carrying the ball under his sideline (right) arm. Rainey gained seven yards on 3rd and 12 with 0:38 in the half from an 11 personnel 1x2 set where he started the play flanking the QB's weakside and crossed the formation to the strong side during the exchange, using a stiff arm on the LDE in the backfield to break the tackle and scoot to the edge. Good stop-start move and quickness to bounce from LG to right end, get down hill, dip inside a defender shooting for his legs and get three more yards, falling forward through contact. Very agile and quick read/reaction. Rainey gained 17 yards on a 2nd and 10 run from the WKU 10 yard line with 4:31 in the half. Rainey gained seven on 1st and 10 with 5:13 in the third quarter from a 21 personnel I formation, 1x1 set. He followed a double-team off LG and burst outside it to reach the left flat, setting up the hole with a nice press and cut. Rainey gained nine yards on 1st and 10 with 2:51 in the third quarter from the 30 personnel, 1x1 set. He pressed a double-team that opened a hole outside LG by heading towards the RG-RT doubleteam and cutting back. He kept his pad level low in the hole and worked through traffic to get another five yards, keeping his legs moving through wraps. Nice foot work to make a short jump cut to weave through the hole.

Balance:

Rainey started behind the FB, saw the second level of the defense filling the gaps to the right side, and bounced the run around left end, dipping further outside 10 yards downfield behind a receiver's block and beating two more defenders up the sideline for another seven yards. Good speed, vision, and change of direction. Rainey gained seven yards on 3rd and 12 with 0:38 in the half from an 11 personnel 1x2 set where he started the play flanking the QB's weakside and crossed the formation to the strong side during the exchange, using a stiff arm on the LDE in the backfield to break the tackle and scoot to the edge. Rainey gained 10 yards on a 2nd and 9 run with 10:23 in the third quarter from a 22 personnel set from the WKU 2. His RG pulled to LT and Rainey got good seal blocks off the edge to that side to create a lane to left end. He showed a good burst to the edge and used a stiff arm to beat the DB in the flat to the corner and then used a second stiff arm on the safety to reach the sideline before lowering his pads into a third DB before he was knocked out of bounds. Good speed and use of the stiff arm. Rainey gained seven on 1st and 10 with 5:13 in the third quarter from a 21 personnel I formation, 1x1 set. He followed a double-team off LG and burst outside it to reach the left flat, setting up the hole with a nice press and cut. He then dipped inside the corner with a nice move at full speed, getting another four yards as the LB wrapped him from the inside. Rainey gained three around left end from the same formation with 1:01 in the third quarter. He was too quick for the LDE , using a stiff arm to shed him at the edge before dipping outside his two lead blockers at the sideline, but he inadvertently stepped out despite maintaining his balance and nearly reaching the end zone. On his 33rd carry, Rainey broke a run 56 yards on 2nd and 2 with 8:45 in the game from a 22 personnel I formation set. Rainey followed his LG on a power play, showing good patience to dip behind the guard towards center and splitting the second level of the defense up the middle with a nice burst of 55 yards. He was eventually caught from behind by the RCB who needed 30 yards to catch him.

Blitzing:

He didn't do a great job of delivering a punch to the DE coming inside the LT on a 1st and 10 pass with 8:50 in the first quarter. He had the defneder squared but just stuck his hands out there and got punched and shoved to the side. This allowed the DE to get pressure on the QB who had to break the pocket for a yard. Decent punch on a DB at the edge on a 3rd down pass play with 7:57 in the half. He got his hands in good position and deliver a blow that stood up the defender. Rainey missed a 3rd and goal cut block up the middle with 0:32 in the half. He shot too low too soon and too far to the side of the defender. The blitzing defender got into the pocket during the QB's release. The QB did complete the pass for the score.

Vision:

Rainey's first carry went for a four-yard loss from a 21 personnel I formation set with two receivers split to the weakside of the formation versus a 4-3 look with a safety in the box with 14:53 in the first quarter. The receiver split wide left motioned towards the line of scrimmage before the snap to seal the edge on a pitch play to left end, but the LDE beat the WR and ruined the FB's lead to the edge. He forced Rainey to dip further backwards, reaching for the runner's legs. Rainey ran through the rap about six yards behind the line of scrimmage but had to face down the LCB, whom he stiff armed to the ground before he was knocked out of bounds by the safety with a hard shove to the chest. Rainey gained 7 yards on 1st and 10 with 14:00 in the first quarter from a 22 personnel I formation set. The LG-LT doubleteamed the LDT and the C sealed the RDT to the inside as the FB took on the MLB just outside the C. Rainey spotted a lane outside the LG and did a great job pressing the hole by heading to the line behind the FB and making a sharp cut inside the center and a second dip in the hole to left end. He ran through a wrap three yards downfield to fall forward another four yards on the play. Good vision in traffic, nice footwork, and strong finish. Rainey gained 12 on 2nd and 3 with 13:15 from a 21 personnel, 2x0 receiver set with the receivers split weakside versus a 4-3. The play was a designed run to right end with the LG and FB pulling to the edge, but Rainey spotted cutback lane behind his LT and squirted just past the LDT to reach the line of scrimmage and burst through a hole behind his LT and LG up the right hash for eight yards before running through the grasp of the safety and then dragging as safety and linebacker another two yards. Rainey gained five yards from a 12 personnel set with the second TE over the LT on the strong side of the formation with 0:29 in the first quarter on 2nd and 10. He followed his pulling RG and wing TE to the left side where he did a good job hitting the hole behind the penetrating linement and then dipping inside and stepping over fallen bodies for two more yards before he was hit by the safety head on. Despite the hard shot, Rainey spun to the inside and got another yard his progress was stopped. Rainey gained five yards on 1st and 10 with 14:52 in the half from a 22 personnel I formation set. On 2nd and 10 with 8:55 in the half, Rainey gained four yards from a 22 personnel set where Rainey bounced the play to right end after the RDT and safety got penetration up the middle. Good speed, vision, and change of direction. Rainey lost a yard on a pitch from a 21 personnel, weakside I set with both receivers split to the weakside. UNT filled the gaps very well and Rainey had to cut the play inside his pulling linemen, meeting an LB head-on. Rainey gained six yards from an 11 personnel shotgun set with 1:17 in the half on a draw play off LG. There appeared to be a hold to the left flat, but Rainey saw the S outside the shoulder of the lineman five yards ahead and dipped the play behind his center to the right flat for six yards, lowering his shoulders into the LB and driving his feet to get a few yards. Rainey gained seven yards on 3rd and 12 with 0:38 in the half from an 11 personnel 1x2 set where he started the play flanking the QB's weakside and crossed the formation to the strong side during the exchange, using a stiff arm on the LDE in the backfield to break the tackle and scoot to the edge. Good speed and use of the stiff arm. Rainey gained five yards two plays later on a 2nd and 5 with 9:26 in the third quarter from the WKU 12 from a strong side I 22 personnel set with the line unbalanced. He followed his FB and pulling RG to left end, bouncing the run to the edge and using a stiff arm to floor the safety in the backfield and almost dipping past the corner at the left sideline for a larger gain than six. Rainey gained seven on 1st and 10 with 5:13 in the third quarter from a 21 personnel I formation, 1x1 set. He followed a double-team off LG and burst outside it to reach the left flat, setting up the hole with a nice press and cut. He then dipped inside the corner with a nice move at full speed, getting another four yards as the LB wrapped him from the inside. He gained another five on the next play a 2nd and 3 run with 4:30 in the third quarter from a 21 personnel I formation set with receivers split strong side. His FB sealed the left edge and he followed his pulling RG to left end, pressing and cutting outside the block to reach the edge and then slashed towards his receiver's block for another three yards before he was wrapped. Good job keeping his feet moving was he was wrapped to get an extra yard. Rainey gained nine yards on 1st and 10 with 2:51 in the third quarter from the 30 personnel, 1x1 set. He pressed a double-team that opened a hole outside LG by heading towards the RG-RT doubleteam and cutting back. He slipped on a run to left end on 2nd and 1 and cut upfield quickly to get to the line of scrimmage. On the next play, a 3rd and 1 with 1:57 in the third quarter, Rainey gained six yards from a 22 personnel I formation set. Rainey gained three around left end from the same formation with 1:01 in the third quarter. On his 33rd carry, Rainey broke a run 56 yards on 2nd and 2 with 8:45 in the game from a 22 personnel I formation set. Rainey followed his LG on a power play, showing good patience to dip behind the guard towards center and splitting the second level of the defense up the middle with a nice burst of 55 yards. He gained seven more on 1st and 10 from the UNT 13 with 8:09 left from 22 personnel I formation set following his pulling RG to LG and then dipping inside his guard at the second level for another three yards while wrapped by the LB from behind. His 35th carry was a two-yard gain around left end that was strung out for a two-yard gain. His penultimate carry was a one-yard loss on 1st and goal from the one with 4:20 left. He made a good decision not to bounce the run outside despite the lack of space off RG. Three plays later he scored from one yard out, bouncing outside to the strong side of an unbalanced line I formation set with 2:47 left. Good move to get outside the penetration off LG to get into the flat.

However, the hit pinned Rainey to the sideline and he was forced out of bounds after turning this potential loss of five to a loss of two. Great balance.
